

# DEMENTIA CARE SERVICES

OUR DEMENTIA CARE SERVICE PROVIDES SPECIALIST, PERSON-CENTRED SUPPORT FOR INDIVIDUALS LIVING WITH DEMENTIA, INCLUDING ALZHEIMER'S DISEASE AND OTHER COGNITIVE IMPAIRMENTS.

## OUR DEMENTIA CARE INCLUDES

- Personal care delivered with dignity, patience, and respect
- Support with daily routines, structure, and meaningful activities
- Assistance with nutrition, hydration, and medication prompting
- Emotional reassurance, companionship, and anxiety reduction
- Support with mobility, safety, and risk management
- Behavioural support using positive, non-restrictive approaches

## WE CARE ABOUT YOUR HEALTH

- We are willing to go above and beyond to ensure each care user gets the best care
- We are motivated and determined to face the challenges facing the UK care sector
- We are committed to creating an extended family of inclusion and support
- We treat each resident uniquely, providing them with tailored care services
